

Austin WARRIORS Sponsorship Form -2019 Spring Season-

“Our mission is to provide a welcoming community of families seeking a competitive athletic organization where their young athletes are given the opportunity to grow in an encouraging environment. We believe in partnering with the whole family, not just the athlete. We connect sports and passion to develop our athletes into leaders. Our goal is to help each player reach their potential through the coaching and training of the fundamentals of basketball, while teaching the overall attitude required in order to play an important role in a successful team for the current season, and for life beyond.”

Due to selfless contributions from many along the way, we will now have over 100 athletes who are part of our Warrior family. Based off of previous Spring Season costs, we will be needing approximately \$8,500 for tournament fees, \$2,475 for gym rentals, and \$4,800 for new uniforms for four teams, (we hope to have more this year.) The final total is brought to \$15,775. All of our current coaches are on a volunteer basis, due to our current budget. Like every growing entity, financial support is a necessity. Your involvement will help in providing the following: scholarships for our athletes in need of financial help, tuition supplement, special events, facility costs, uniform & equipment costs, and travel and coaching expenses.

SPONSORSHIP LEVELS AVAILABLE:
