### Q&A

Does the Warriors give a sibling discount? We do not because everyone can receive a discount if choosing to pay the one time fee.

Are there scholarships available? Unfortunately, we are unable to give full scholarships. We keep our cost as low as possible. If financial assistance is needed with a partial scholarship, please contact Ruth Gentry and she will give you a form to fill out for approval by the board. Many players have raised their money using a free throw challenge and those forms can be found on our website. Please know if we had a big scholarship fund we would do as much as possible but we do not and the cost of renting gym space, uniforms and tournament fees is extremely costly. If you know of a business that would like to be a Warrior sponsor, please send their information to us. We would be extremely grateful.

### Uniforms

A uniform is supplied for the season and will be returned at the end of the season. It is the parent responsibility to get the uniform back to Coach G within one week after the season in good condition. If returned damaged or not returned a replacement fee of \$200.00 will be charged. (Breakdown - uniform cost of \$129 plus the set up fee to print only one replacement and shipping)
